Schedule 1 - Updated Description of the Issuer

History and Constitution

Instituto de Crédito Oficial (“**Issuer**” or “**ICO**”) was incorporated on 19 June 1971 under *Ley 13/1971* of 19 June, *sobre Organización y Régimen del Crédito Oficial* (Law for the Organisation and Control of Official Credit) of the Kingdom of Spain, having the status of an autonomous agency.

The Issuer was regulated under Article 127 of the *Ley 33/1987, of 30 December, de Presupuestos Generales del Estado para 1988* (Law for the State General Budgets for 1988) until such Article was repealed by the *Real Decreto-Ley 12/1995* (Royal Decree-Law of 28 December 1995 on Urgent Measures on Budgetary, Taxes and Financial Matters).

The Issuer is now subject, in first place, to ICO’s By-laws (*Estatutos del ICO*), approved by *Real Decreto 706/199, de 30 de abril sobre aprobación de los Estatutos del Instituto de Crédito Oficial y adaptación a la Ley 6/1997, de 14 de abril de Organización y Funcionamiento de la Administración General del Estado* (Royal Decree 706/1999 of 30 April relating to the approval of Instituto de Crédito Oficial’s By-Laws and its adaption to the Organisation and Working of the State General Administration).

It now has an independent status as an *Entidad Pública Empresarial* (State-Owned Corporate Entity) instead of an autonomous agency, and the consideration of the Kingdom of Spain’s Financial Agency.

Relationship with the Spanish Government

The guarantee is given by the Kingdom of Spain pursuant to *Real Decreto 706/1999* of 30 April *sobre aprobación de los Estatutos del Instituto de Crédito Oficial y adaptación a la Ley 6/1997 de 14 de abril de Organización y Funcionamiento de la Administración General del Estado* (relating the to approval of *Instituto de Crédito Oficial’s* By-laws and its adaption to Law 6/1997 of 14 April relating to the Organisation and Working of the State General Administration). Pursuant to article 24 of the bylaws of the Issuer, the Notes will benefit from the statutory guarantee of the Kingdom of Spain as regards third parties. In accordance with the referred article the guarantee by the Kingdom of Spain is direct, explicit, irrevocable and unconditional.

The Issuer is ascribed to the Ministry of Economy and Finance through the Secretariat of State for Economy. The strategic management of the Issuer, as well as, the assessment and control of the results of its activity, are incumbent upon the Secretariat of State for Economy.

The Issuer will be subject to the control of the Office of the Comptroller (“**Intervención General**”) of the State Administration, and of the Court of Exchequer (“**Tribunal de Cuentas**”).

Control of the efficiency of the Issuer is incumbent upon the Ministry of the Economy and Finance, in order to verify the degree of fulfilment of objectives and the appropriate usage of the resources allocated to it.

By virtue of the Credit Institution Discipline and Control Act, 26/1988 of 29 July, the Issuer is supervised by the Bank of Spain while it carries out its duties as a credit entity.

Purpose and function

The purposes of the Issuer are the support and promotion of economic activities contributing to the growth and improvement in the distribution of the national wealth, in particular, of those that, due to their social, cultural, innovating or environmental transcendence, merit their being fostered.

One of the Issuer’s functions is to contribute to palliate the economic effects arising from situations of severe economic crisis, natural catastrophes or other similar events, pursuant to instructions from the Council of Ministers or the Government’s Delegate Commission for Economic Affairs.

In order to fulfil the said purposes, the Issuer will act with full respect towards the principles of financial equilibrium and adaptation of means to purposes.

Likewise, the Issuer will act as instrument for the implementation of certain economic policy measures, following the fundamental guidelines established by the Council of Ministers, the Government's Delegate Commission for Economic Affairs or the Ministry of Economic and Finance, and subject to the rules and decisions approved to that respect by its General Board.

These transactions shall be carried out pursuant to banking criteria and paying attention to the following principles:

- (a) they will be instrumented fundamentally and preferentially as medium and long terms loans aimed at financing real investments;
- (b) their approval will require the implementation of the necessary provisions to safeguard, in all Issuer's activities, the principle of financial equilibrium.

Management

The Issuer is governed by a General Board. The General Board is formed by the Entity's Chairman, who also chairs the Board, and ten Members. The appointment and cessation of the General Board's Members corresponds to the Ministry of the Economy and Finance. The Chairman is appointed by Royal Decree agreed upon at the Council of Ministers at the proposal of the Ministry of Economy and Finance.

Due to the changes in the structure, objectives and business carried out by the Issuer since 1991 and the complexity of these new activities, the Issuer has been obliged to modify its internal organisation. Such changes include an increase in the number of its employees. As at 31 December 2005, the Issuer employed 276 people, 65.2 per cent of whom are highly qualified personnel (this percentage excludes managerial personnel).

Employment matters for non managerial staff are statutorily regulated by the *Estatuto de los Trabajadores* (Workers Statute).
